

FIG. 1

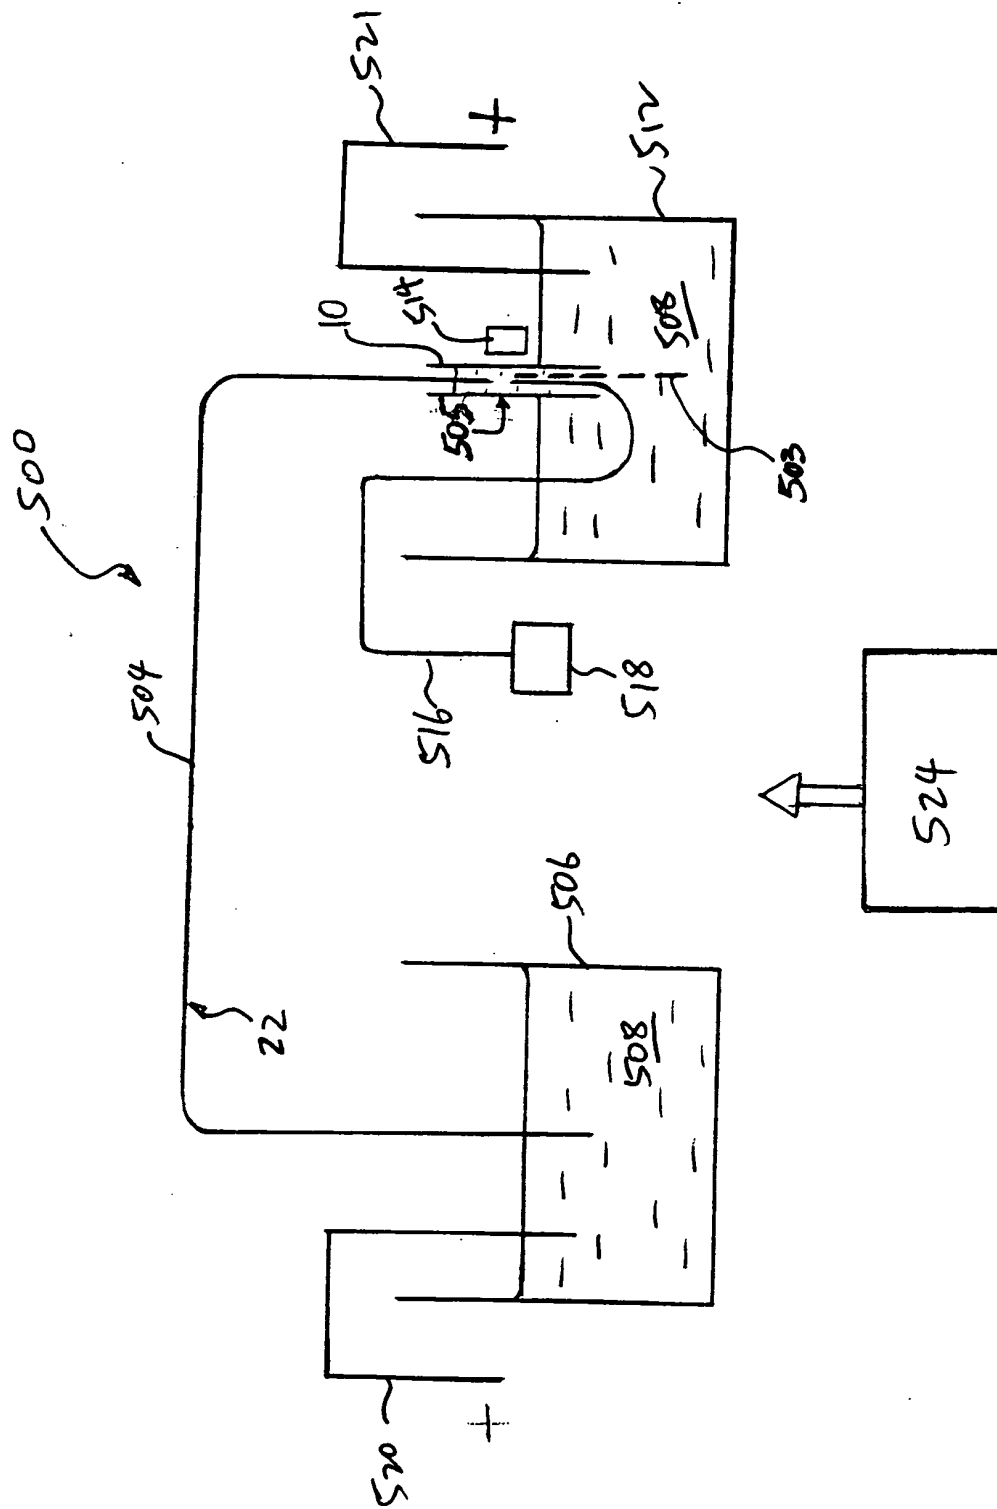

Diagram illustrating a mechanical assembly, likely a valve or actuator, with various components labeled:

- 10: Main vertical shaft or body.
- 16: Upper section or handle of the shaft.
- 20: Pivot point or joint connecting the shaft to the arm.
- 22: Lower handle or grip of the shaft.
- 26: Spring or flexible connection element.
- 27: Tip or end of the arm.
- 28: Horizontal arm or lever.
- 30: Handle or grip of the arm.
- 32: Dashed line indicating a path or connection.
- 2B: Arrows pointing to specific components, likely indicating a cross-section or a specific view.

A solid black circular stamp, likely a seal or a placeholder for a logo, located at the bottom center of the page.
